

The Rotary Club of Folkestone Channel

19th October 2022

Dear Charles and all at Rotary Club of Folkestone Channel

Thank you, you are amazing.

Thank you for your kind donation of £1,000. It'll be put to good use straight away to help the 8,000 or so Carers we support in East Kent, including 474 in Folkestone and 154 in Hythe.

Your lovely gift will be put to good use straight away. It will give Carers the support and information they need to continue providing care and live well. It will offer them opportunities to share concerns, for queries to be addressed and accurate information imparted. We will be there to listen, give guidance and help make things better. Being a Carer is rewarding but it can also be exhausting and often challenging. Your gift will give Carers valuable time to look after their own health and social needs too. Thank you.

Don't just take my word for the difference this support will make, hear what our Carers say:

"You've been at the end of the phone whenever I needed to just cry and talk. I've been blessed to have this support in my life at this painful time. "

"It is such a help to know that your support is there when I need it and that I'm not alone in trying to deal with the challenges. "

"It would have been impossible for me to carry on caring without your help. I can't put into words the difference the support has made. "

Thank you again for your donation. You have helped to change the lives of Carers.

Warm regards
