Dear Charles

Thank you so much for the cheque. We have put it into our wellbeing/hardship fund. This is used for children to go on trips or have music lessons or to buy them any equipment that they might need.

We are just about to create our Christmas Hampers for those families who are really struggling and this year this will encompass more families than ever as the recession hits. These are quite often families who are working but still can not earn enough to provide for their families.

If there was any extra funding we would be so grateful as would the families that we would be able to help.

Many Thanks

Jean
